

HAVE A CAREER...ANYWHERE!

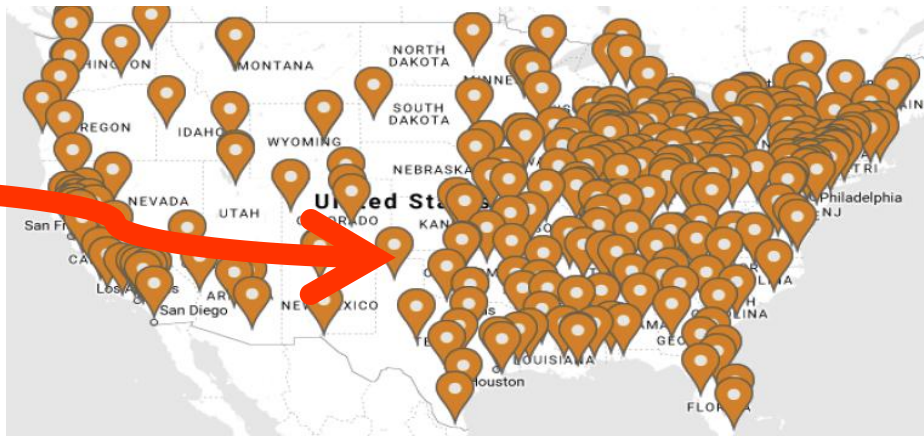

The U.S. Military Veterans Electrical Entry Program (VEEP)

You could have an exciting career as an IBEW Electrician waiting for you **ANYWHERE IN THE UNITED STATES** after separation. Here's how it works:

Step 1: Complete a VEEP Program Application, and tell us where you want to relocate after separation.

Step 2: We reach out to any one of over 300 NECA/IBEW Apprenticeship Programs across the U.S. to secure a Direct Entry Agreement for you.

**CHOOSE
YOUR
LOCATION!**

Step 3: Once the Direct Entry Agreement is in place, you attend a **FREE** 7 week pre-apprenticeship training in Anchorage while you are in transition.

Step 4: After separation, relocate to the area you've chosen where your new career will be waiting for you!

For more info call NECA/IBEW 337-9508 or apply online at alaskaworks.org
